Please Note:

- ◆ Special Education services and final elective decisions will be made at transition meetings.
- ◆ English Language Learner placement will be finalized after the students' spring assessments. Parents/Guardians will be notified by mail in June regarding their child's ELE placement.
- ◆ English Language Learners at the beginner or early intermediate level take Oral Communications instead of a World Language. Many students who have IEPs take support classes instead of a World Language.
- ◆ Students not currently enrolled in an Amherst or Pelham elementary school – Please fill out the enrollment package and return it with this form.

Required Courses: All students take the following courses which are described in the *Program of Studies*:

- | | |
|--------------------|----------------------|
| ▪ English 7 | ▪ Math |
| ▪ Social Studies 7 | ▪ Physical Education |
| ▪ Science 7 | ▪ Exploratory |

Music options: If you are interested in taking a performing music course, check the appropriate box. You need to have one year of study with your instrument and one year of participation in an elementary school music program to take Orchestra or Band. There are no prerequisites for Chorus.

- Band Instrument: _____ Years of experience: _____
- Chorus

Or

- Check here if you do not plan on taking music in 7th grade in which case you will be scheduled for a study hall unless you are taking a support class.

World Language options: Many students start taking a World Language in 7th grade. We offer four languages at the Middle School. Each one is part of a six-year sequence continuing through high school. Please choose three of these languages in order of preference (1, 2, 3). Make your second and third choices carefully, as we may not be able to schedule you for your first choice.

- Chinese French Latin Spanish

Or

- Check here if you do not plan on taking a World Language in 7th grade in which case you will be scheduled for a study hall unless you are taking a support class.

Some students request to take two language courses or two music courses instead of one of each. We accommodate those requests if class size and schedule allow for it. If you want to make that request, please write in your request next to the music or language section.
